

March 2025

Dear families,

Welcome to our Tiffield Academy community! It is so exciting to be writing to our new families and I can't wait to welcome your young people into our brand new school.

I felt it was important to let you know some details which will help you to prepare for starting with us (we have some young people starting in September and others in January 2026 and Easter 2026):

- Our school day will run from 9.15am to 3.30pm (I know many of you will need this information as you start to apply for transport to and from school). Term starts on 8th September 2025 and dates for the academic year can be found on our website
- Transition visits to current schools and/or home will start to take place after the Easter break for young people starting in September. We will not have full access to the site and so our transition plans can't include visits to our school building. However, we will be preparing photos to share with families as soon as we can. We hope you can then share these with your young person in order to start their preparation for accessing our amazing facilities. We will contact families with later start dates in the Autumn term to start their transition process
- Our uniform will be supplied by Price and Buckland. I am currently in discussion with them to finalise this and information regarding how to order will be added to the website in the near future. I am expecting families to be able to start ordering uniform from early May
- Our team is growing: our Deputy Headteacher, Office Manager and Learning Mentor will be starting after the Easter break. It will be lovely to be able to continue the work involved in setting up a new school with a passionate and dedicated team
- The website will be updated regularly between now and September so please do keep checking for further information about our school: [Tiffield Academy - Home](#)
- If you have any questions or queries, please do contact us: admin@tiffieldacademy.org

Finally, I would like to share some photos from my recent visit to the site – I can't believe how much progress is made each time I visit.

I look forward to getting to know you all,

Emma Butler, Principal Designate
